

**The Officers of the Tennessee Chapter of CoreNet Global**

***Cordially Invite You to Attend an Educational and Networking Breakfast***

**Wednesday, September 8, 2010 - Nashville TN**

Come see yourself in the Power of Story. Join others in an interactive and engaging session to learn ways of transforming business strategy into powerful vision. A vision without action is simply daydreaming. Come experience ways to engage your stakeholders in the creation of a story that creates buy in and delivers results.

In this session the facilitator will provide multimedia examples of how leaders have used story to engage and motivate others into action. He will provide current corporate real estate stories from Cincinnati Children's Hospital and General Dynamics that demonstrate how to apply these truths in your world with Corporate Real Estate examples.

**Presenter:**

**T. Patrick Donnelly, AIA, MCr.h**

Principal-Workplace Strategy  
BHDP Architecture  
Cincinnati, Ohio
