- **Through the [VPP program \(www.insidenissan.com\)](http://www.insidenissan.com)**, individuals in Tennessee and bordering Kentucky counties who lost or suffered damage to a vehicle because of flooding will be eligible to purchase or lease a new Infiniti or Nissan using the VPP A-plan pricing (typically reserved only for an employee or their immediate family) until June 30. Contact vppadmin@nissan-usa.com with questions about the VPP program.

Nissan Motor Acceptance Corporation (NMAC) also will allow eligible customers to delay vehicle finance payments for three months, providing flood victims the time needed to get back on their feet without the added burden of a vehicle payment. Customers are required to show proof of damage and should work with their area dealer.
